

SPECIAL REPORT

# Syrian Refugees in Spain

**LA MAREA WEBSITE**

The Syrian Refugee Special Report by La Marea and Baynana was published on January 28th at the website lamarea.com.

The coverage consisted of four reports focused on different aspects that affect Syrian refugees in Spain, such as access to work and housing, the discrimination they face or the need to seek refuge a second time - when they are forced to come back to Spain from third countries-. Moreover, we've had the chance to tell some success stories of refugees who made a living and started a new life.

La Marea is an independent Spanish media founded in 2012.
